INTERPERSONAL SKILLS -

Fluent in English, Cantonese
and proficient in Mandarin.

Strong in relationship building.

Outgoing and open minded.

Self-driven, curious,
coachable, fun!

Honest and approachable.

Strives to be happy.

EDUCATION -

British Columbia Institute of Technology - Fall 18' - Present
Digital Design and Development Diploma

Developed excellent time management skills with
6-8 classes per semester while working a part-time job.

Designed and developed over 8 responsive web applications with
HTML, CSS, Javascript, React, PHP, and MySQL.
WordPress & WooCommerce

Created intuitive wireframes, mockups, prototypes used for
conducting staged user testing.

Established an effective workflow with Adobe Suite
(Photoshop, Illustrator, InDesign, After Effects, Premiere), Sketch and InVision.

EXPERIENCES & MAJOR PROJECTS -

JAYU Productivity App - Fall 19'
Project Manager/ Designer & Developer

Learned to efficiently setup and troubleshoot a mobile development environment
including programs such as **NPM, XCode, Metro Bundler, and React Native.**

Displayed leadership capabilities as project manager - contributing to product
and UX design while also taking on a lead development role.

Familiarized with agile development.

Lululemon - 2018-Present
Educator

Focused on providing a unique guest experience that aligned with the brand.

Uncovered the pain points to why guests prefer Lululemon over other brands.

Experienced the effects of collaboration in a community and the impact it may
have on building momentum for new businesses.

Got Sweaty!

TD Canada Trust - 2016 - 2018
Customer Service Representative/
Customer Relationship Coordinator

Familiarized with multiple banking UI systems and educated guests
on the previously redeveloping mobile banking app.
